Persistent links direct students to specific full-text journal documents found in our research databases. These links are stable, and can be accessed from both on and off campus. These links could be used for e-reserves, electronic reading lists or incorporating into Blackboard and other online course resources.

1. Choose the video that you want to link to. Copy the URL from the address bar.

https://curio.ca/en/video/the-secret-path-12149/
The persistent link will look like this: https://curio.ca/en/video/the-secret-path-12149/

**Please note** that this URL was created on campus, it does not include the UFV Library proxy server prefix, which is essential to providing off-campus access to the stable link.

2. To access the article off campus you need to add the following prefix to the existing URL:
   https://proxy.ufv.ca:2443/login?url=

3. The finished URL will look like this:
