Persistent links direct students to specific full-text journal documents found in our research databases. These links are stable, and can be accessed from both on and off campus. These links could be used for e-reserves, electronic reading lists or incorporating into Blackboard and other online course resources.

1. From the results list, click on the entry title.

2. Click on the pencil icon and a pop-up window will open.

3. Copy the URL given in the citation.
The persistent link will look like this:

Please note that this URL does not include the UFV Library proxy server prefix, which is essential to providing off-campus access to the stable link.

4. To access the article off campus you need to add the following prefix to the existing url:
   https://proxy.ufv.ca:2443/login?url=

5. The finished URL will look like this:
