Persistent links direct students to specific full-text journal documents found in our research databases. These links are stable, and can be accessed from both on and off campus. These links could be used for e-reserves, electronic reading lists or incorporating into Blackboard and other online course resources.

1. From the results list, click on the book URL.

   ![Book URL](image)

2. Copy the DOI number from the book information.

   ![DOI number](image)

   The DOI will look like this:
   10.1007/978-94-007-1232-4

3. To create a persistent link which will link to the article off campus you need to add the following prefix to the DOI:

4. The finished URL will look like this:
