

Persistent links direct students to specific full-text journal documents found in our research databases. These links are stable, and can be accessed from both on and off campus. These links could be used for e-reserves, electronic reading lists or incorporating into Blackboard and other online course resources.

1. Choose the video that you want to link to. Click on Permalink.

The persistent link will look like this:

<https://curio.ca/en/catalog/0345f056-82a3-43d4-be7d-48c7cb76a299>

Please note that this URL was created on campus, it does not include the UFV Library OpenAthens server prefix, which is essential to providing off- campus access to the stable link.

3. Go to the [OpenAthens Link Generator](#). Paste the Curio persistent link into the search box and then copy the new link.

4. The finished URL will look like this:

<https://go.openathens.net/redirector/ufv.ca?url=https%3A%2F%2Fcurio.ca%2Fen%2Fcatalog%2F0345f056-82a3-43d4-be7d-48c7cb76a299>
