

Creation of Persistent Links Kanopy

LIBRARY

Persistent links direct students to specific full-text journal documents found in our research databases. These links are stable, and can be accessed from both on and off campus. These links could be used for e-reserves, electronic reading lists or incorporating into Blackboard and other online course resources.

1. Choose your video/segment and click on share. Copy the url.

2. To access the video off campus you need to add the following prefix to the url:

https://proxy.ufv.ca:2443/login?url=

3. The finished URL will look like this: https://proxy.ufv.ca:2443/login?url=https://ufvca.kanopy.com/video/i -am-not-your-negro
